We at Gem Mountain wish to share the rich history and tradition of Mining in Mitchell County. Come experience the wonder and excitement of prospecting for gemstones in a pleasant and comfortable atmosphere. Our flumes are covered, so you can gem mine rain or shine.

YOU KEEP ALL YOU FIND!

Your stones will be inspected free of charge. You may also have your stones cut and made into jewelry by experienced gem cutters who are graduates of the most prestigious gem cutting and jewelry design schools. See our emerald collection, one of the largest and best in the USA.

The Brushy Creek aquamarine mine is the only mine in the area that you can actually dig for gems. Operated by Gem Mountain Inc. Tours to Brushy Creek mine are by reservation only during June • July • August. Equipment & Tools are furnished 888-817-5829.
